### Description

Le Caméléon Boutique Hotel, a member of Small Luxury Hotels (SLH) is located in Puerto Viejo de Limón, on the Caribbean coast of Costa Rica. With its laid back attitude and Caribbean life style, Puerto Viejo has it all: long walks on the pristine beaches, exotic flora and fauna in a wildlife refuge, snorkeling or diving among the many reefs in crystal clear waters, world-class surfing, mountain biking, kayaking and cultural visits to indigenous communities. Cocles Beach with its beautiful golden sand is walking distance from the hotel.

At Le Caméléon Every day is a new day. Smart, contemporary décor cleverly melds with the rustic ambience and intriguing lighting that changes color each day, adding a sophisticated warmth and sense of fun.

The hotel is contemporary with rustic elements and a minimalist decor, that creates a relaxing and elegant atmosphere, specially designed for the upscale traveler. The hotel features Le Numu, the international cuisine restaurant that will delight the most discriminating guests, and Numu Bar, the international bar to enjoy an exclusive selection of beverages and music.

### Location

Le Caméléon is located in the south Caribbean of Costa Rica between the Reggae town of Puerto Viejo and the fisher town of Manzanillo, nestled in a lush tropical garden, just a few steps away from the golden sands of Cocles Beach.

## How to get to the hotel

Le Caméléon is 4 hours driving from the Juan Santamaria International Airport in San José.

## Driving instructions

From Juan Santamaria International Airport in San Jose:

The first step will be to get on the San Jose - Guapiles highway, also known as the Braulio Carrillo Highway, which drives to Limón. Once in Limón, turn right at the Texaco gas station and follow the signs for Puerto Viejo ( 75 miles / 49 km from Limon). Once you arrive to Puerto Viejo Town continue to Manzanillo, you will see the hotel signs on the right hand side.

We strongly recommend that you leave San Jose before noon to get to the hotel when there is still sunlight.
